MANY REPORT DEER KILLS OPENING DAY

Early reports of success by hunters on the first day of the deer season were being received today at The Gettysburg Times office as many nimrods succeeded in bringing down the antlered game in the first morning of the 12-day buck hunting season.

The earliest kill reported up to early afternoon was by Robert L. McLaughlin, R. 1, who shot a six-point, 125-pound buck at 7:15 o'clock in Cumberland Twp.

Grayson Fox, Orrtanna R. 1, downed a six-pointer at 7:20 o'clock, near Mt. Carmel. It weighed about 100 pounds.

Other successful hunters reporting today included:

Fern Ohler, 127 York St., a spike buck weighing about 110 pounds, at 8:20 o'clock near Fairfield.

GETS 9-POINTER

William McClell, Fairfield R. 1, a four-pointer about 9:30 o'clock this morning on his own farm. The deer weighed about 140 pounds.

Stewart Sites Jr., Fairfield, who shot a 140-pound, eight-point buck on the Carroll's Tract farm, near Fairfield about 9:30 o'clock.

Richard M. White, Fairfield R. 2, a seven-pointer weighing 125 pounds, shot at 8:30 o'clock at Mt. Hope.

Patrick D. McDermitt, Baltimore St., a 125-pound, nine-point buck at 8:50 a.m. in Straban Twp.

Edward Fox, Orrtanna R. 1, shot a 100-pound spike buck this morning on Big Flat.

SOME PLANTS CLOSE

An estimated 2,000 men and women may have taken to the hills and woods of Adams County today in search of deer as the season opened at 7 a.m. A total of 1,600 doe licenses have been sold in the county for the day on which antlerless deer may be killed, December 18.

School attendance was down and some plants, including the C. H. Musselman Company at Biglerville, closed down for the first day of the deer season.

The weather was mild and Game Protector Paul Glenn had said there is a considerable deer population in the county.

No county accidents had been reported today.

COED IS HURT IN ACCIDENT

A Gettysburg College coed from Huntingdon Valley, Pa., lost control of her 1958 Volkswagen about two miles north of here along the Biglerville Rd. at 12:30 o'clock this afternoon, spun around on the road, and came to a halt against a telephone pole on the left side of the highway.

Miss Judith Boothroyd, a Senior at the college who was on her way to Biglerville where she is a student teacher in the Upper Adams Joint School District, was removed to the Warner Hospital in the Gettysburg Fire Company ambulance for treatment of possible back injuries.

Dale Guise, Biglerville, traveling south on the Biglerville Rd., told "The Times" that he saw the Volkswagen coming toward him on his side of the highway. He said it swerved back to the right side of the road, but then, after he had passed, it spun around, slid across the road, and the right rear of the car struck the telephone pole, knocking the unbroken rear window some 10 feet from the auto.

First estimates place the damage at \$400 or \$500.

A hospital spokesman said later that Miss Boothroyd, who ended up in the back seat of the Volkswagen after the mishap, suffered a back injury, but added that it was not serious.

Public School Prayers Are Up In High Court

WASHINGTON (AP)—The Supreme Court agreed today to consider whether it is unconstitutional for prayers to be said in public schools.

A petition submitted by parents of nine children in four schools in New Hyde Park, N.Y., contends the offering of prayer in schools violates the Constitution's principle of separation of church and state.

The New York State Board of Regents, the governing body of the state's public school system, had recommended to all local school boards that this prayer be used daily in opening exercises: "Almighty God, we acknowledge our dependence upon Thee, and we beg Thy blessing upon us, our parents, our teachers, and our country."

The objecting parents said they were, variously, members of the Jewish faith, the Unitarian Church, the Society for Ethical Culture, and one parent is a non-believer.

They appealed to the high tribunal after New York courts ruled the prayer did not violate the Constitution.

Leaps Off Golden Gate Bridge; Lives

SAN FRANCISCO (AP)—Francis Patrick Kennedy, the second person ever to survive a leap from the Golden Gate bridge, remained in critical condition today.

The 20-year-old Oakland youth vaulted over the railing Sunday and dropped more than 150 feet onto rain-softened earth.

He suffered fractures of both arms and numerous internal injuries in the fall—the equivalent of a 11-story plunge.

In 1941, Cornelia Van Ierland, 22, jumped from the span and landed in the water 220 feet below. Her present whereabouts are unknown.

PROGRAM AND SUPPER FOR METHODISTS

Sunday afternoon at 5 o'clock approximately 100 persons attended a family covered dish supper which followed the annual Church School Christmas program at the Methodist Church.

The program opened with a message by Mrs. Harold Ecker, who introduced the participating classes. The cherub choir, under the direction of Mrs. John R. Weaver, sang "The First Noel" and "There's A Song in the Air." The Nursery and Kindergarten presented finger plays and songs led by Mrs. Newell Carey. Mrs. Glenn Hankey and Mrs. George Boehner of the Nursery department and Mrs. Eugene Clapsaddle, Mrs. Thomas Hess and Mrs. Samuel Kessel of the Kindergarten.

The Primary Department, under the guidance of Mrs. Milton Rummel, Mrs. Mildred Adelberger, Mrs. Francis Timlin and Miss Helen Paxton, contributed two Christmas messages and a song. Three poems: "Silver Chain of Christmas," "Christmas Greens" and "Christmas Is for Everyone" were given by members of the Junior Department and two original stories of "The True Meaning of Christmas" were read by their authors, Pamela Taylor and Jeffrey Naugle. Teachers in the Junior Department are Miss Thelma Coulson, Mrs. Adrian Martin, Miss Wynona Woodward and Kenneth G. Reinhart Jr.

The Youth Department followed with a choral reading on the second chapter of St. Luke, a skit entitled "Sell Christmas," and a poem, "Holy Day or Holiday." Mrs. Ecker concluded the program with a Christmas message while "Silent Night" was hummed in the background by the children.

Following the family supper a brief carol sing was held with Mrs. Robert Deardorff leading, accompanied by Miss Demaree Deardorff at the piano.

Decorations were provided and set up by members of the Older Youth and College Fellowships.

REV. N. FRANTZ TALKS AT ELKS SERVICES HERE

"Memory, and our pausing to remember, is a blessed thing," Rev. Nevin R. Frantz, pastor of the Arendtsville United Church of Christ, told members of the Elks lodge at the annual memorial services held Sunday afternoon in the lodge hall in memory of the eight members who died during the year.

"Every liberty we enjoy has been bought at the cost of the blood of martyrs; every achievement of the race has come at the cost of a great toll; every privilege and opportunity that modern society grants to us is the product of another man's labors; every day we drink from wells that we have not dug; warmed by fires we have not kindled; live by liberties we have not won and protected by institutions we have not set up. It is well we remember."

"Our government rests upon foundations cemented in place by an innumerable company of men and women patriots, if you please, whose love of liberty, equality and justice for all built the structure of a government of the people, by the people and for the people. You see why I say, memory, and our pausing to remember, is a blessed thing. You see why it is well to remember."

"LIVED WORTHILY"

"Our remembrance is directed particularly to the remembrance of a number of men who, in addition to other associations in their earthly life, had a particular association in terms of membership of this lodge. As their names were read we were reminded that they were once with us and for reasons known only to God, their Maker, they are no longer with us in the flesh."

"Because they lived worthily, they call upon us to follow in their footsteps," Rev. Mr. Frantz said.

The Biglerville High School Senior Choir, under the direction of Charles L. Yost, sang "Arise O God, and Show Thy Might" and "There Is a Balm in Gilead."

The ritual was conducted by Exalted Ruler Donald E. Myers, Esquire William G. Shoemaker and Chaplain Eugene R. Hartman. Secretary Raymond E. Menges read the roll call of departed members. Esteemed Leading Knight G. Noel Flynn, Esq., read the "Loyal Oath" and the "Loyal Creed."

The service closed with the singing of "Auld Lang Syne."

BEGIN SUIT IN CAR ACCIDENT; ANSWER FILED

Frank A. Jordan, 350 York St., has brought an action in trespass in the county court against Edwin Ulrich, Littlestown R. 1, and Charles Shank, Biglerville R. 2, as a result of an auto accident December 18, 1960, on the Emmitsburg-Littlestown Rd.

According to the complaint filed in the prothonotary's office for Jordan by Attorney Gerald R. Walmer, Shank and Ulrich were driving north and Jordan south at the time of the accident. The complaint alleges that Shank stopped his car on the highway and Ulrich passed the halted car, colliding with Jordan's vehicle. Jordan is seeking \$747.33 which he claims is the amount of damages to his car.

ANSWERS FILED

Answers have been filed by Attorney Thomas H. Pyle in the prothonotary's office for A. B. Seifert and Son and Gettysburg College in the trespass action brought by John C. Davis, Washington, D. C., against Seifert, the college, John H. Hampshire, Inc., and Metropolitan Edison Co.

The suit is based upon injuries received by Davis when he was an employee of Hampshire Co., working on the roof of the new college dining hall. A rod held by a fellow worker touched a live wire, killing the fellow worker and injuring Davis.

Gettysburg College asked that the suit as it pertains to it be dismissed because the college is a nonprofit and charitable organization designed to provide education. Seifert asks that the case be dismissed as it pertains to it because Davis was working for Hampshire with which Seifert had a contract and thus was in effect an employee of Seifert. Seifert claims that both Hampshire and Davis "had accepted the provisions of the Pennsylvania Workmen's Compensation Act" in the contract with Seifert.

UNUSUAL ACTION

Attorney John A. MacPhail has filed in the prothonotary's office an action in divorce brought by Kathryn A. (Seabrook) Willey, Orrtanna, versus Ray E. Willey, Pasadena, R. D., Md. Indignities are charged.

The Willey suit is a relatively rare procedure in which Mrs. Willey is suing for a complete divorce as if never married before, while her husband has previously secured a divorce "from bread and board" in Maryland. A divorce "from bread and board" is a form of legal separation, which separates the couple, but does not permit either party to remarry, requires that the husband support the wife, and prohibits sale of property without joint signatures.

PROPERTY IS SOLD

Mr. and Mrs. Chester I. Sanders, Littlestown, sold a property in Germany Twp. for \$9,000 to Mr. and Mrs. Harwood G. Tydings, Taneytown R. 1.

extensively in their plays, there are only 12 short fragments of ancient Greek music in existence. Modern productions of Greek tragedy frequently neglect the importance of the musical element and much of the lyric quality and character of the plays is consequently lost. Gettysburg College is fortunate to have a student with sufficient creative skill to compose an entirely original score for this production of "Trojan Women." We feel that the score reveals the importance of the musical element and it is to him we owe much of the impact and beauty of the production."

The choreography was staged by college students Julia Yeager and Carol Menge. Margaret Teeter Villard of Gettysburg, served as business manager. Professor James Pickering, Mrs. Margaret Smith and children, Todd and Andreas, were among the Gettysburg residents taking part. Eloise Gouker, one of the college students, was the soprano soloist.

The students themselves made all costumes, comprised the orchestra, various committees and the cast with the exception of Professor Pickering and Mrs. Smith and children.

In addition to local attendance, delegations of students from from Juniata, Cedar Crest, Western Maryland, Wilson, Towson State Teachers and Dickinson Colleges attended the production. Written by Euripides, the play is a tragedy based upon destruction of Melos by the Athenians in 415 B.C. U.S., ISRAEL CLASH OVER REFUGEE FUSS

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (AP)

—The United States and Israel headed today for an open clash with the Arab world over how to help the 1,500,000 Palestine Arab refugees.

The General Assembly's special political committee was to take up the annual report of the U.N. Relief and Works Agency for Palestine Arab refugees. In it director John H. Davis of the United States endorsed a 13-year-old assembly decision that the estimated 1,150,000 refugees of the 1948 Arab-Israeli war should be given the choice between going home to Israel or taking compensation for the property they left there.

BOTH AT ODDS

Saudi Arabian delegate Ahmad Shukairy planned to insist that the refugees should be given this choice. Israeli Foreign Minister Golda Meir was expected to set forth Israel's stand that it is willing to help compensate the refugees but not to take them in for fear they would endanger its security.

Jordan, Lebanon, Syria and the United Arab Republic, hosts to the refugees, were working on a resolution to increase the membership of the conciliation commission from three to nine and give equal representation to Communist, Western and neutral countries.

The United States, which now sits on the commission along with France and Turkey, is against such a troika setup.

Some African and Latin-American countries are working on a third resolution to call on Israel and the Arab countries to negotiate on all outstanding issues.

HOLD SERVICES FOR D. C. ASPER IN CHURCH HE HELPED BUILD

Funeral services were held Sunday afternoon from the Aspers Lutheran Church for Dennis C. Asper, 86, one of the founders of the church, with the Rev. Dr. O. D. Coble and the Rev. Gerald D. Kauffman, Carlisle, officiating. Interment was in the Bendersville Cemetery.

Born July 7, 1875, in Aspers, then known as "Sugartown," a small settlement in Menallen Twp., Dennis Asper, who died Thursday at Carlisle, where he had resided since 1958, was a son of the late Frederick A. and Sarah (Epplenman) Asper. His father, who operated a country flour mill and farm at the time, was instrumental in bringing the Gettysburg and Harrisburg Railway through what was to become named Aspers, after the elder Mr. Asper. He solicited stock subscriptions, hauled stone for the railroad bridge over Opossum Creek, erected a grain elevator in the town and became its first postmaster. He also served as agent for the railroad.

In 1911 Frederick Asper erected the first ceramic tile manufacturing plant in Pennsylvania at the village of Aspers. The same year Dennis C. Asper went to Millersville State College. He graduated at 18, had planned to teach, but instead began to assist his father in making tile. After Frederick Asper's death in 1912, Dennis Asper, with others, incorporated the business under the name of the Penn Tile Works Co., and an entirely new plant was constructed. In addition to being president of Penn Tile, Asper also was president of Columbia Flint Co., which pulverized quartz rock at Aspers until 1919.

He also became president of Asper Fruit Products Corp. which was formed to barrel apples and export them to European countries. The business also canned apples, peaches, berries of all types, peaches, corn and tomatoes, and made vinegar. Later it was sold to Adams Apple Products Corp.

WAS AN ORGANIZER

Asper helped organize the Adams County Fruitgrowers Association and was a supervisor in Menallen Twp., helping construct the first hard road in the township. He helped organize the Adams County Supervisors Association and was its first president. He also was elected second vice president of the State Supervisors Association when it was first formed and was active in securing legislation providing better roads.

In 1913, he was active in forming a water company at Aspers. For many years he was secretary of the water company, which had placed a six-inch water line from the reservoir to the town, and then four-inch lines through every portion of the village, with fire plugs located every 500 feet for fire protection.

He, with others, organized the Bendersville Station Rural Telephone Co., which provided the first telephone service to the growing community of Aspers. The company was later incorporated into the United Telephone Co.

HELPED BUILD CHURCH

He also was one of those who established street lighting in Aspers.

As president of the fire company, he was able to obtain WPA funds to construct the building used by the firemen and through drives in the community a new fire engine was bought.

Up to 1920 the village had no church and he was one of a group which built Christ's Lutheran Church, of Aspers, to which he belonged until a few months before his death when he joined a Carlisle church.

During World War I he served on the tile industry committee of the War Production Board.

DISCOVERED MINERALS

Searching for ore for Penn Tile, he secured 3,600 acres of mountain land in Monroe Twp., Cumberland County, running from near Boiling Springs to near Dillsburg. The area contains the only known deposit of natural black burning clay in the U.S. A portion of it had large amounts of white kaolin clay now being used by Atlas Cement for making white cement. Some large deposits of manganese and iron ore were found and in 1942 a Bureau of Mines survey of 40 acres of the tract showed that it may be one of the largest manganese deposits

agreements on Berlin and demanded Soviet assurances that there would be no interference with Allied and civilian traffic between the U.S. sector and East Berlin. Watson called the East German explanation "an obviously ridiculous justification."

Before the work started at 6 p.m., two U.S. Army buses took half a hundred uniformed Air Force reserve officers from Washington on a two-hour tour of East Berlin. Among them were Sens. Barry Goldwater, R-Ariz., and Howard Cannon, D-Nev., both one-star reserve generals.

A group of off-duty Soviet soldiers on the street spotted the buses, broke into smiles and exchanged waves.

One member of the group, Sen. Jack Miller, R-Iowa, was driven across to East Berlin separately in civilian clothes and was stopped by the East German people's police. Miller said he showed his identification card and the checkpoint officer passed him through with a smile, thanks and a salute.

A survivor inadvertently omitted in a prior story of the death was a sister, Mrs. Robert Hawbaker, Camp Hill. Another sister, Mrs. Elsie Snyder, resides at Carlisle.

Palbearers were Lloyd Kuhn, John Reimer, Wayne Swigert, Paul Leaman, Thomas Monyer and Earl Cronican.

Edward J. Holt Sr., 35, and Mrs. Dorothy Fitzgerald were married last week at St. Peter's Roman Catholic Church, Washington, D. C.

"It's one of the most marvelous things that's ever happened in St. Peter's," said Rev. Cormac B. Long, who performed the ceremony.

The couple lived across the street from each other in Washington. Mr. Holt's children range from nine to 17 years, and Mrs. Holt's from four to 16. Mr. Holt has three other children who are married.

Mr. Holt, plant manager with Progressive Cleaners, Inc., said he, his wife and the 12 children will live in a new house at 116 Fourth St. S.E., Washington. It has six bedrooms.

The couple, he said, will take a short honeymoon trip. While they are gone, the older children will take care of things at home. Both sets of children go to school together.

Mrs. Fitzgerald, now Mrs. Holt Sr., is the daughter of the late Mr. and Mrs. Allen O'Donoghue of Emmitsburg. Attending the wedding from Emmitsburg were Mrs. Bartholomew Hogan, Mrs. Marie G. Rial and Mr. and Mrs. John A. O'Donoghue, uncle and aunts of the bride.

PLAYER DRAFT OPENS TODAY

CHICAGO (AP)—The National Football League holds its annual player draft today and will select many of the same players chosen Saturday by the rival American Football League.

Then the two circuits will become involved in another battle of getting the players to sign with their respective teams. And the most wanted players will most likely hold out for the best offer in the spiraling market.

Halfback Ernie Davis of Syracuse, the Heisman Trophy winner, will undoubtedly be the No. 1 pick of the Washington Redskins, who get first choice because of their lowly position in the league.

Davis was the first selection of the Buffalo Bills in the AFL's draft Saturday when Oakland, getting No. 1 pick, chose quarterback Roman Gabriel of North Carolina State.

Other AFL first round picks were Merlin Olsen, Utah State tackle, by Denver; Ron Bull, Baylor halfback, by Dallas; Sandy Stephens, Minnesota quarterback, by New York; Gary Collins, Maryland end, by Boston; Ray Jacobs, Howard Payne tackle, by Houston; Bob Ferguson, Ohio State fullback, by San Diego.

During the day-long draft, the 14 NFL clubs will draw for 20 rounds and many of the draft choice will be traded. Last year there were 28 such swaps.

Butchers' Strike Is Not Felt Here

A butchers' strike which has closed a number of Acme and A&P markets in the Philadelphia area apparently will not affect the local stores of those chains.

A check with the managers of both stores here showed no effect noted from the strike. Both said they receive their supplies from Baltimore rather than Philadelphia and butchers at Baltimore, who are of another union than the Philadelphia group, are not affected by the strike.

The Philadelphia area strike is forcing the closing of an increasing number of stores in eastern Pennsylvania, New Jersey and Delaware, the Associated Press reported.

Krape's Art Show Opens On Sunday

Formal opening of a public exhibition of paintings by Ernest Krape, Gettysburg R. D., was held from 2 until 5 Sunday in the Central Gallery of the Pennsylvania State Museum. The show of 43 paintings will continue through December 30.

A retired interior decorator from Sewickley, Pa., and Palm Beach, Fla., Krape began painting as a professional about 15 years ago. He has studied at the Norton Museum of Art in West Palm Beach, Fla.; at Penn State University under the direction of Eliot O'Hara of Washington, D. C., and John Chetcutti of Rockport, Mass.

He has won many prizes for his art and some of his paintings are on permanent exhibition at the York Art Center Gallery in York and at Phoenix, Ariz.

Ralph Walter, curator of fine arts for the State Museum, said Krape at 75 "maintains a youthful exuberance in his paintings. He swings easily from the realistic to the impressionistic, his palette knife leaves enough to the imagination to leave the canvas forever fresh. There is an almost uncanny color coordination, an attention to it that is breathtaking in its perfection."

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO

The case in Court last week, which we mentioned as being in progress when the paper went to press—Fink vs. Yealy, Taylor and Collins—was decided in favor of the plaintiff—verdict \$32 damages and 6 cents costs.

Disease is making its mark among our gallant soldiers now in camp, and sometimes results in death. Among those who have lately been removed from earth, we regret to record the name of a member of Capt. Bailey's Company, Mr. Jesse Shank, who died at Camp Pierpont, near Washington, on Sunday the 24th ult. He was aged about 23, and resided near York Springs. His remains were brought to Petersburg for interment.

The Famine Alarm in Ireland:
The cry of distress which has issued from all parts of the north-western coast of Ireland, resembles that which we heard in 1846 and 1847, the very memory of which even at his distant period appeals the stoutest hearts. We have been at some trouble to ascertain the actual condition of the broad belt of country from which the worst accounts have reached us, and we regret to say that there is no exaggeration whatever in even the strongest statements that have been placed before the public.

Adjutant General Thomas has sent instructions to Gen. Sherman, at Port Royal, to seize all the cotton, corn, rice, and crops of various sorts, within his reach; to use what is necessary and of value for the subsistence of his troops, and to send the cotton to New York, there to be sold for the benefit of the Government. Gen. Sherman is also directed to take the services of negroes, not only to aid in gathering the crops, but also making fortifications.

SEVENTY-FIVE YEARS AGO
The Littlestown Burglary: We made brief mention last week of the fact that the clothing store of W. A. Little, in Littlestown, had been burglarized on Monday night, Nov. 29. The burglars entered the front door, forcing the bolts, three in number, out of their receivers, by means of a crowbar or large chisels, as indicated by the marks in the wood. Mr. Little's brother sleeps in the room above the store, and heard a crash, but everything being quiet subsequently, gave the matter no further thought. The rascals carried off overcoats, suits, flannel shirts, red and white flannel underwear, silk handkerchiefs, suspenders, etc., to the amount of about \$300 or \$400. No clue to the thieves as yet.

Whilst Mrs. John Forry of Bon-neauville was engaged in scalding a chicken in a bucket, on Saturday week, an eleven-month-old child crawled up unobserved, and upset the boiling water over its body, scalding it in a terrible manner. The little one lingered in agony until Tuesday evening, when death relieved it of its sufferings.

Montreal Moves To Top In NHL

By THE ASSOCIATED PRESS
Montreal's Canadiens, who have spent most of the past several National Hockey League seasons setting the pace, are back in the lead again—due to a splendid job of goal tending by Jacques Plante with an assist from Detroit sharpshooter Norm Ullman.

Plante turned in a brilliant performance Sunday night as the Canadiens edged the Chicago Black Hawks 1-0. Their victory, coupled with Detroit's 3-1 decision over Toronto, gave Montreal sole possession of first place over the Maple Leafs. In the other game Sun-

CHEAP GAIN

Thomas Paine once wrote: "What we obtain too cheaply we esteem too lightly; it is dearness only that gives everything its value."

I think of this often when I am tempted to take a cross-cut to things important. The fact is, life has to be earned. You can come to no just appreciation of it otherwise.

When you give a man money he hasn't earned, he doesn't understand it, so his first impulse is to waste it. But money earned has something about it that goes beyond its intrinsic value.

Everyone is cheapened in soul when he takes something from somebody else that he hasn't earned, or for which he has nothing to give in return.

Cheap friendship has no value. I know a writer who produces a book only every three or four years. But when that book appears, it almost immediately becomes a "first seller" because that writer has something to say, something to teach, something with which to inspire others. And, when you come to think of it the real classics of the world were written by those who did likewise.

Cheap reputation soon withers and is forgotten.

If any job is worth doing at all it is worth doing better than it has ever been done before.

When one has gained — be that gain ever so small — it takes courage to hold it. And then it takes greater courage to go ahead for more gain. That's the way character is built.

Cheap gain is always flying out of the window, or when you go to grasp it, it isn't where you thought it was.

Just Folks

THE YOUNG MOTHER
She seemed so frivolous and gay,
So fond of pleasures, old folks said,

Who watched her dancing down the way:
"There's nothing in her pretty head,"

They heard her laughter everywhere;
They heard her lightly talk of dress,
And murmured, sadly watching her:

"No serious thought can she possess."
Well, she has ceased afar to roam,
And done with sprightly speech and glib,

For in a small apartment home
She bends above a little crib.
That pretty head is now concerned
With proper food for babies small;

From selfish pleasure she has turned
To heed a tiny infant's call.
Now up and down the street she walks,
Wheeling her baby in the sun,
And this is all she thinks and talks:

How best to raise a little one.

And this is all the old folks say:
"She seemed so frivolous a miss,
So very light of heart and gay,
We never dreamed she'd change like this!"

CHAPTER ONE
THE FALLING SKY

Once upon a time, in the faraway Kingdom of Polydora, there ruled a king named Ferdinand. He was a good king, kind and gentle and trusting. If anything, he was perhaps a little too good-hearted and some people said he was not so much simple-minded as simple-minded. Behind his back, these people called him "Ferdinand the Foolish."

Foolish or not, Ferdinand was the happiest of kings. He loved everything about his job and would not have traded with anyone. He loved his great velvet-draped throne and his jeweled crown and his marvelous purple and crimson robes.

He loved to grant favors to subjects who needed help and to order whatever he wished for lunch. He loved to give circuses for children and to stay up late reading mystery stories whenever he wanted.

OILERS SWAMP SAN DIEGO IN CRUCIAL GAME

By HAROLD V. RATLIFF
Associated Press Sports Writer

The mighty George Blanda is getting most of the credit for Houston's American Football League surge that has shot it to the top of the Eastern Division and made it a favorite for the championship.

But what about the coach? Blanda, who put on a great show Sunday in leading the Oilers to a 33-13 victory over hitherto undefeated San Diego, certainly has earned all his tributes. But this coach, Wally Lemm, must be the most successful one in the world today.

Houston hasn't lost a game since he took over Oct. 16 and now the record is seven straight. **PASSED 4 TD'S**

Gallivanting Blanda passed for four touchdowns, kicked two field goals and converted three times—accounts for all the Houston points.

Houston beat San Diego at its own game. The Chargers, who had won 11 straight and clinched the championship of the Western Division, were noted for their pass defense, having pilfered 43 for a record. Houston not only passed San Diego goody but intercepted three San Diego throws.

Houston maintained a game lead over Boston in the Eastern Division race and has only to beat New York and Oakland, a couple of clubs the Oilers already have eluded, to push into the championship playoff.

OTHER HOPES ALIVE

Boston hung in the race with a 28-24 victory over Denver and New York kept its hope slimly alive when it socked Dallas 28-10. New York is a game and a half off the Houston pace.

Buffalo edged Oakland 26-21 in the other AFL game Sunday but it meant nothing. Both are out of the race for anything except the cellar.

Babe Parilli paid for his salary as Boston beat Denver. He threw 51 yards for one touchdown and ran for another. pull the Patriots to victory.

Al Dorow did about the same thing for New York in its victory over Dallas. Art Baker ran for two touchdowns in Buffalo's decision over Oakland.

SANTA and the FLYING SHOE

by Lucrece Beale

Reading mystery stories was one King Ferdinand's chief pleasures.

ister distastefully, "Every author in the land is at work on a new mystery. Nevertheless it will be after Christmas before the first one is finished."

"Christmas!" exclaimed the King, turning to his secretary. "That reminds me, what preparations have we made for Christmas this year?"

The secretary took a small note from his pocket and began to read:

"One hundred and fifty foot Christmas tree to be installed in the Public Square."

"Eight hundred and twenty-two children invited to the Christmas party."

"One thousand pound cake and one half ton of chocolate and peppermint ice cream and five miles of ribbon candy to be provided."

"Eight hundred and twenty-two red stockings to be hung on the fireplace for the eight hundred and twenty-two children plus," said the secretary, glancing sideways at the Minister of Science.

"One large size stocking for your Majesty."

"Very good!" said the King, pleased. Then he leaped up. "My goodness! We haven't sent my letter!"

"What letter is that?" asked the Minister of Science who made it his business to keep up with the royal correspondence on affairs of state.

"My letter to Santa Claus," explained the King. "Sit down," he ordered his secretary. "We'll do it right away."

The Minister of Science, who clearly was one of those people who thought Ferdinand simple-minded, left in a huff while the secretary drew out pen and paper to take the King's dictation.

"Dear Santa," began the King. "I am very much in need of some good detective stories and, if it would not be too much trouble, this is what I would like for—"

At this point there was an enormous crash. The whole palace shuddered. The King was flung from his chair and all the detective stories on the shelves were hurled to the floor.

A moment later, the palace watchman burst into the room crying, "Your Majesty! The sky has fallen in!"

(6-51) when Jimmy Orr grabbed a 41-yard payoff pitch from Johnny Unitas with 1:11 remaining after Steve Myhra had brought them within range with his second field goal. Sam Etcheverry passed for a pair of scores as the Cards (5-7) came from behind to whip the hapless Redskins (0-11-1).

Rookie quarterback Fran Tarkenton passed for four TDs in the Vikings (3-9) triumph over the Rams (3-9). Minnesota's Hugh McElhenny, former 49ers star, brought his total career yardage to 10,018.

Norm Cash of the Detroit Tigers hit .400 against four American League teams in winning the 1961 batting crown.

If you make a right turn from the left lane, you're probably just reckless and careless and not what the fellow back of you called you.

The Browns beat the Cowboys (4-7-1) early, scoring three times in the opening period on Bernie Parrish's 34-yard run with a fumble, a 30-yard dash by Vince Costello with an interception and Jimmy Brown's yard plunge after another Parrish steal. Cleveland's Lou Groza kicked a field goal and five conversions for a career total of 824 points, one short of the NFL record held by Green Bay's Don Hutson.

24-YARD POINT
Jim Martin of the Lions (7-4-1) had to kick an extra point from the 24-yard line following a penalty for the winning margin against the Bears (6-6) after the tying TD on a five-yard flip from Earl Morrill to Terry Barr with 22 seconds left. Roger LeClerc booted five field goals for Chicago, tying the league record.

The Packers Force Giants Into Tie With Eagles; Lou Groza Nears Don Hutson Record

By MIKE RATHET
Associated Press Sports Writer
The Green Bay Packers stole their showdown struggle with New York, clinching their second consecutive Western Conference crown in the National Football League and forcing the Giants and Philadelphia Eagles into a two-week test of strength for the Eastern title.

Led by Jim Taylor and Paul Hornung, the Packers edged the Giants 17-17 Sunday, wrapping up the Western title with a 10-2 record and leaving New York and the defending league champion Eagles in a tie for the top spot in the Eastern sector with two games remaining. Both New York and Philadelphia have 9-3 records.

The Packers who it as Taylor scored twice on runs of 14 and 3 yards—the last the clincher in the fourth quarter—and Hornung brought his league-leading point total to 143 with a pair of field goals and two conversions. Altogether, Taylor ran for 186 yards, a club record.

BALL STEALER
The key play was made by Packers' defensive back Jesse Whitenton, who stole the ball from Alex Webster on the Giants' 30 in the final quarter. The Packers, trailing 17-13, took advantage of the grab, Taylor finally going in for the winning touchdown from the 3.

The Eagles brought their record to 9-3 by blitzing the Pittsburgh Steelers 35-24, and have the advantage of playing at home against the Giants next Sunday in a battle that could determine Green Bay's opponent in the Dec. 31 championship playoff.

Not to be counted out, however, are the Cleveland Browns, one game back of the leaders with an 8-4 record after beating Dallas 38-17. The Browns meet Chicago next, then close out at New York while the Eagles are at Detroit.

Bullets Lace Diplomats 86-59 As Warner Lands 38; D-son Here Tonight

Bob Hulton and his Gettysburg College basketball team got off on the right foot as the Bullets inaugurated the 1961-62 campaign by walloping Franklin and Marshall 86-59 Saturday night on the Eddie Plank gym floor before a capacity crowd of 1,400 fans.

The victory marked the 10th straight for the Bullets over a two-year period. Ron Warner and Bob Parker wear back in their old farm as Warner dropped in 36 counters, the fourth time in his career he has reached that total in one ball game. Parker, who landed 18 tallies, set up scoring plays time and again with most of his feeds going to Warner.

Warner again rolled up points after point without giving the fans any indication as to the number he was making. The York native hit on 17 of 27 field shots for 63 per cent. He also turned out to be the game's leading rebounder with 17.

As a team, the Bullets started slow, but gradually came up to their shooting performance of the past. Gettysburg dunked 39 of 92 goals for 42 per cent. The Diplomats landed 20 of 82 field shots for 24 per cent.

LEAD WHOLE WAY

Despite the fact the Dips held a man-for-man height advantage, they were unable to stop the Hultonmen from the first 11 seconds of the ball game. Parker scored the initial goal on a jump from the key followed by jumps by George Burnett and Warner to give the home team a 6-0 lead after 2:43 minutes of play. Dick Mahland tallied the Diplomats' first point at 17:07 on a foul shot. Gettysburg then moved to a 42-26 advantage at intermission.

Burnett tossed in a tap-in and Parker followed with a corner jump to open the second half. Franklin and Marshall tallied on Charles Ferrell's foul at 17:48, but the Dips were unable to catch the Bullets throughout the second half.

Sophomore Dick Mahland, 6'4", set the scoring pace for the visitors with 11 goals and three of four fouls for 25 counters.

FRESHMEN TRIUMPH

John Carpenter's Bullets yearling ball club had little difficulty in registering their first win of the season as they crushed the Franklin and Marshall Frosh 70-22 in the preliminary contest. Gettysburg held a 29-6 advantage at half. George Strouse paced the Frosh with 23 points while Jack Butcher scored six for the young Dips. Roger Ecker, former Gettysburg High School star, registered 10 rebounds, but was off on his shooting game missing on four field goal attempts and landing two of two charity tosses.

Both Gettysburg team will be back in action tonight when they entertain the forces of Dickinson. The Freshman game will start at 6:45 p.m.

Dickinson will come to Gettysburg with four lettermen from last season. Heading the list will be Gene Becker, 6'2"; Phil Smedley, 6'; Bill Schantzbenbach, 6'1"; and George Meals, 6'3". The fifth probable starter will be Sophomore Ed Eater, 6'1".

'SKINS DRAFT DAVIS

CHICAGO (AP)—The Washington Redskins, leading off the National Football League draft today, chose Heisman Trophy winner Ernie Davis of Syracuse, first Negro player ever selected by the 'Skins.

EAGLES LOOK TO KEY GAME WITH GIANTS

PITTSBURGH (AP)—Bruised and battered but still full of fight, the Philadelphia Eagles looked forward today to next Sunday's game with the New York Giants with brighter hopes of winning their second consecutive National Football League championship.

The Eagles battled their way into the title picture again Sunday with a 35-24 victory over the Pittsburgh Steelers. At the same time, Green Bay was beating the Giants 20-17, forcing a tie in the Eastern Division. Both the Eagles and the Giants have 9-3 records.

"Next week we meet the best, and it'll be up to us to meet the challenge," Philadelphia coach Nick Skorich said after the game. "We'll have to play better than we did today, but this team of ours can do it, no matter how badly injuries may hurt us. The Giants have a solid offense in Y. A. Tittle and Del Shofner, and the game is a must for both teams."

PLEASED WITH DEFENSE

The Giants beat the Eagles 38-21 in their earlier meeting this season.

The rookie Philadelphia coach was pleased with his defense against the Steelers. "Give the credit to our defense," he said. "And for good reason, too. The Eagles intercepted six passes and recovered one fumble."

Chuck Bednarik, who was switched to defensive linebacker only last week from his offensive center slot, sparked the defensive unit, setting up two touchdowns on intercepted passes and making tackles all over the field.

His second interception gave the Eagles the ball for their last touchdown, the one that put the game beyond the Steelers' reach. Tim Brown scampered 42 yards for that last score, climaxing a day of nifty, productive running. Earlier he rambled 66 yards with a punt for a touchdown and 65 yards with a lateral that set up a touchdown in the last minute of the first half.

Philadelphia quarterback Sonny Jurgensen also got into the act with two touchdown aeriels, giving him 26 for the season that established an Eagle season record. In 1948, Tommy Thompson threw 25 scoring passes.

The injuries that Skorich referred to weren't too serious, but one Eagle was sent to the hospital and another lost two teeth. Halfback Irv Cross suffered a brain concussion, but team physician Dr. Mike Mandamo said he should be ready next week.

Howard Keys lost the teeth in a scuffle with Gene (Big Daddy) Lipscomb near the end of the game. Guard Stan Campbell was removed from the game with a dislocated left shoulder.

"Whether he'll be ready to go against New York depends on how the shoulder responds to treatment," Mandarino said. "But I don't think he'll be able to start at any rate."

Two Steelers also went to the hospital—end George Tarasovic with a fractured right knee and tackle Charley Bradshaw with an injured right shoulder.

HARDIN WANTS TO TIE SERIES

By WILL GRIMSLEY

Associated Press Sports Writer

PHILADELPHIA (AP)—Navy Coach Wayne Hardin has set a personal goal for himself—to tie the Army-Navy football series, and the way he's going, he may do it before he's 40.

The Midshipmen whittled the Cadets' longtime margin by winning their third game in a row here Saturday, and their third under Hardin 13-7. It was Navy's 27th victory compared with 30 for Army and five ties in the historic rivalry dating back to 1890.

While Hardin is the toast of the Tars today, his counterpart at West Point, Dale Hall, apparently is on the griddle after failing in three tries to beat the hated foe. Reports are that Hall, who replaced Col. Earl (Red) Blaik after the 1958 season, may get the ax, although he says his contract has another year to run.

"It's tough," Hardin said. "I know if I don't win this game, they'll be after my scalp. So I don't intend to get in that fix, if I can help it."

Navy loses the services of Greg Mather, the big end whose two field goals provided the margin of victory, but there is a favorable outlook for the 1962 season. The team had 22 sophomores listed on the varsity roster this

200 Fans Greet Eagles On Return

PHILADELPHIA (AP)—More than 200 fans welcomed the Philadelphia Eagles home when they arrived at International Airport Sunday night after their 35-24 must victory over Pittsburgh which gave them a tie for first place in the Eastern Division of the National Football League.

One fan, a man, rushed up to veteran Chuck Bednarik, who played an outstanding game, and grabbed both of his hands, saying: "Don't quit... Don't you quit."

"I won't now," replied Bednarik. Bednarik has said he may retire after this season, his 13th.

WESTPHAL HAS EVERYTHING TO GAIN IN BOUT

Associated Press Sports Writer

PHILADELPHIA (AP)—"I have nothing to lose and all to gain," replied Albert Westphal, German heavyweight, when asked why he came all the way from Hamburg to expose himself to the hammer-like fists of Sonny Liston.

Westphal also mentioned something about a \$12,000 guarantee, three airplane tickets and \$1,750 in expenses for taking on the 10-round chore against the fighter most experts rank the No. 1 challenger for Floyd Patterson's heavyweight title.

The German, and Liston of Philadelphia, meet at Convention Hall tonight in the first half of a novel closed circuit television doubleheader. Patterson, the man Liston most wants to get into a ring, defends his title against Tom McNeely in the feature of the twin bill.

The television setup works like this:

The Liston-Westphal bout will be beamed to Toronto, Canada, for the fans at the Patterson-McNeely show. In turn, Patterson-McNeely will be televised to Convention Hall here for the Westphal-Liston house. Many theater houses throughout the U.S. and Canada also will carry the party.

Westphal, at 30 Germany's fourth ranked heavyweight, has won 24, lost 8 and fought 3 draws in a 35 fight career. Although he claims he's never been knocked off his feet there are four technical knockout defeats on his undisputed record.

Actually, the master baker from Germany appears to be the first in a series of warmup bouts for Liston, who is looking forward to a promised shot at Patterson next spring. Patterson's title doesn't appear to be endangered by challenger McNeely. If either Liston or Patterson lose, year end voters will have their upset of the year. Also, Liston has been guaranteed \$50,000 for tonight's effort.

FIGHTING IN COURT

Wagering on both fights, if there be any, is on knockouts and the round they will occur. Liston, making his first start since acquiring new manager George Katz, and being reinstated by the State Athletic Commission here, seeks win No. 33 in 34 fights, and his 23rd career knockout.

Liston the past eight months has done most of his fighting in courts and before the State Athletic Commission. Twice he was arrested in brushes with the law, and though acquitted both times, was suspended in July by the commission for actions detrimental to boxing. He was reinstated last Oct. 20, with a warning that once more in trouble and he's done permanently.

CAGE OUTLOOK IS GLOOMY AT FAIRFIELD HI

There is a dim outlook at Fairfield High School for the 1961-62 basketball season Coach Jack McAndrews having but one member of last year's squad varsity squad, George Haines, 6-2 Senior, who averaged six points per game.

Moving up to the varsity squad from last year's jayvees are Tom Reinollar 5-9, Stu Sites 5-9, Dave Benner 5-7, and Cal Bream 5-11, all Juniors.

Don Briggs 5-10, and Mike MacEldowney 5-6, both Juniors, are newcomers to the squad.

A pair of Sophomores, Don Dick 5-8 and Ron Schultz 5-9, round out the group.

LACK SPEED

Coach McAndrews reports his squad lacks speed and experience and may have a tough time in equalling last season's record of 10-11.

Gary Sanders is the team manager.

KENTUCKY AND TROJANS MEET IN BIG TEST

Associated Press Sports Writer

Southern California, which is having early season problems, and Kentucky, which hasn't had such troubles since the Coolidge administration, collide tonight in the feature game of the college basketball schedule.

Southern California, ranked fourth in a pre-season Associated Press poll of basketball experts, was the victim of the first major upset of the season Saturday, falling to Oklahoma 66-56.

Kentucky, unranked in the poll but always a threat for national honors, opened with a 93-61 rout of Miami of Ohio Coach Adolph Rupp's young squad, built largely around sophomores, could help to erase their questionmark status with a convincing display against the Trojans.

Southern Cal, which opened with a 56-43 decision over Missouri Friday, just couldn't get going against the surprising Sooners. Oklahoma forged a 32-25 halftime lead and led by as much as 13 points after intermission.

Among the other major form reversals Saturday were three involving Big Ten members: Drake over Indiana 90-61, Evansville over Iowa 65-59 and DePaul over Minnesota 66-56.

But Ohio State and Cincinnati, preseason picks as the nation's best, had little trouble in chalking up first game victories. Mighty Ohio State dumped Florida State 72-57 even though All America Jerry Lucas was held to 11 points.

Cincinnati, defending NCAA champion, chalked up its 23rd straight with an 86-63 romp over Indiana State. Tom Thacker, 6-foot-2, contributed 20 points, 19 rebounds and 5 assists.

Other ranked teams in action included Purdue, which got 31 points from Terry Dischinger in an 86-70 triumph over Pitt; Kansas State, which had no trouble in subduing New Mexico 94-52; and third-ranked Wake Forest, which crushed outclassed Davidson 96-62.

ATLANTIC CITY, N.J. (AP)—Pennsylvania Military College's football team thumped the U.S. Merchant Marine Academy of Kings Point, N. Y., 35-14 in an indoor contest billed as the "Little Army-Navy Game," Saturday night.

Played before 9,300 persons in Convention Hall here, the game was the first college clash played indoors in 22 years.

The St. Francis Xavier Catholic School dribblers opened their season here Sunday afternoon by whipping St. John's of Westminster 35-23.

Mike Baker and Ronnie Redding paced St. Francis to its victory with 11 points each. Charley Abell chipped in with eight tallies and turned in a remarkable job in rebounding. The all-around hustle of Coach Cal Lovett's squad was largely instrumental in overcoming the taller Eagles. Jim Weaver led St. John's with 11 points.

St. Francis' Fifth and Sixth Grade Team eked out a 22-20 victory in the preliminary game. In the last minute of play George Stull, who led all scorers with 10 points, tossed in the deciding basket. Coaches Bernie Frazer and Bill Coston substituted freely with the result the visitors pulled up to even terms late in the game.

Celtics Win Without Cousy

By THE ASSOCIATED PRESS

Even when they're without Bob Cousy, the Boston Celtics apparently have more than enough talent to handle their opposition in the National Basketball Association.

Cousy was out with an ankle injury Sunday night but the Celtics, staging their usual Eastern Division romp-again, wound up with a 119-96 victory over the Cincinnati Royals and built their lead over second place Philadelphia to five games.

The Celts, led by Bill Russell

and their usual balance in the league's only Sunday night game, made it a blitz. Sam Jones, playing more with Cousy out, added 18 points and Tom Heinsohn hit for 17. The victory was their 16th in 19 games.

Oscar Robertson led Cincinnati with 28.

Castro Boldly Confesses Leading Cuba To Commies

By JOSE MARIA ORLANDO
HAVANA (AP)—Fidel Castro, proclaiming, "I believe absolutely in Marxism," admitted publicly Saturday he was leading Cuba down the road to communism.

"I am a Marxist-Leninist and will be one until the day I die," the Cuban prime minister declared in a midnight television speech.

"We must all study the experiences in building up the world's first Communist society," he said. "Socialism is a world reality today as the force defeating imperialism."

"The world is on the road toward communism," he added.

Castro jokingly added that if there was any anti-Communist listening to him "he does not need worry because there will be no communism (in Cuba) before 30 years."

"BIASED" AGAINST REDS
Castro's statements were in sharp contrast to declarations that "ours is not a Communist revolution" made six months after he seized power from dictator Fulgencio Batista Jan. 1, 1959.

Apparently in reference to his anti-Communist statements, Castro said Friday night that until a few years ago he was "biased against communism because of imperialist propaganda." He said the change in his political thinking began after he seized power.

Castro praised Lenin for "developing Marx' and Engel's theory" and putting them into practice. Marxism or scientific socialism has become the revolutionary movement of the working class," he said.

Castro, who ruled out elections in his May Day speech, declared Friday night that he was forming a single party that would unify all groups in his regime into a "strong and disciplined organization."

The Integrated Revolutionary Organization, embracing political, military, economic, labor and social groups, forms the foundation for the coming one-party system. The party will be called "the united party of Cuba's socialist revolution."

"There cannot be three or four movements," Castro said.

Castro asserted he favored collective leadership for Cuba under the new party instead of "personality rule," a role he presently holds.

RED OFFICER IN REAL TROUBLE

YONKERS, N. Y. (AP)—Communist leader Gus Hall, already in trouble with the federal government, also is in hot water with local officials.

He was halted by police Friday and charged with three motor vehicle violations—driving across a white line, failing to have a New York driving license and driving with improper registration.

Hall, a Yonkers resident, was ordered to appear in court Dec. 7. The 1962 tan-colored convertible that he was driving was impounded.

As general secretary of the Communist party in the United States, Hall had been ordered by the Justice Department to register with other Communist leaders by Wednesday midnight as an agent of the Soviet Union. They refused.

The penalty for each day of noncompliance is five years in prison and a \$10,000 fine.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation II®. At all drug counters.

he said.

Castro's assertion that he was a confirmed Marxist was one of his strongest public admissions that he had been converted toward the Communist line.

FORMS ONE PARTY

He had implied as much by labeling Cuba a socialist state in a speech last May Day. The United States then declared for the first time that Castro was a full member of the Communist camp.

Castro, who ruled out elections in his May Day speech, declared Friday night that he was forming a single party that would unify all groups in his regime into a "strong and disciplined organization."

The Integrated Revolutionary Organization, embracing political, military, economic, labor and social groups, forms the foundation for the coming one-party system. The party will be called "the united party of Cuba's socialist revolution."

"There cannot be three or four movements," Castro said.

Castro asserted he favored collective leadership for Cuba under the new party instead of "personality rule," a role he presently holds.

A Lovelier You

By MARY SUE MILLER
BREAK FOR LOVELINESS. To sparkle as a lovely should during the holiday season, you cannot let fatigue get you in its

clutches. And the grip is not readily avoided. The pressure of work and social life in the next weeks challenges the stamina of the hardiest woman.

How then can any of us out-strip the menace of fatigue? Health authorities tell us the secret lies in a relaxed attitude. It is a tense, nervous approach to a crowded schedule that mainly causes exhaustion, not the schedule itself.

But as everyone knows, calm under duress is not easily come by. Tension seems to creep up on you, and you can't seem to stop it. Well now, do you know that you would bring tension to a standstill if you stood still—took a short break. Try it, you really cannot afford not to!

What follows are the most profitable ways of making a break: pay off, in the least possible time: One minute—Stand erect, eyes closed, and breathe deeply before an open window.

Five minutes—Freshen your makeup and hair, splash cologne on your wrists, and drink a glass of cool water or sip a hot beverage.

Ten minutes—Stretch out on the floor, with a tightly folded bath towel under your knees and small of back. Close your eyes, breathe deeply, and trip to cat-nap.

Above all, close your mind to problems when you take a break. As a weapon against tension nothing is mightier than a change of thought.

DINAH SHORE SEEKS DIVORCE

HOLLYWOOD (AP)—Dinah Shore and George Montgomery sought divorce separately today and the movie colony turned from gasping to guessing about the surprising collapse of their perfect marriage.

Tuesday will be their 18th wedding anniversary—and their last.

The most popular theory on the split-up: long separations caused by the pursuit of their individual careers.

Saturday's announcement of an impending divorce caught all but the couple's closest friends off-guard.

The singing star of television and the tall cowboy actor married Dec. 5, 1943, in Las Vegas, Nev.

Friends said Miss Shore left town as soon as she finished her Friday night television show. Montgomery had gone away earlier.

Miss Shore was believed to be resting at the couple's Palm Springs home with their two children, Melissa, 14, and Jody, 7.

A spokesman would say only that the singer planned to file for divorce on very general grounds.

LONDON (AP)—Mrs. Nancy Melville, who cooked for Bing Crosby and Bob Hope when they shared a house here this fall, is going to America to cook for Bing.

The 55-year-old woman said Crosby had offered her a job in the pilot, William E. Phillips, 35, of Boardman Township; his wife, Beverly, 29; a son, Kenneth, 7, and a daughter, Mary Ann, 9 months.

A third child, Barbara, 5, was reported in fair condition at South Side hospital.

Phillips, a foreman at the Youngstown Steel & Tube Co., apparently was caught by the sudden fog and early dusk before he could reach his home field, Southern Airways, which adjoins the Phillips home south of here. That field has no lights for night landings.

For the manner in which the plane banked and turned over the turnpike it was believed Phillips was living up for a landing approach.

Launch Rocket To Measure Radiation

POINT ARGUELLO, Calif. (AP)—A 40-foot Blue Scout solid-fuel rocket roared into the sky today with a 29-pound package of instruments to measure radiation in space.

The Air Force said all four stages appeared to have fired as planned.

It was aimed at a point over the South Pole some 2,600 miles out in space—a journey the Air Force said would take about six hours.

The saucer-shaped payload was expected to fall back into the atmosphere and burn up some 12

his California home and she had accepted it with pleasure.

Crosby, Hope and their families shared a house during the filming of "The Road to Hong Kong."

SET HEARING ON BLUE LAWS

BUTLER, Pa. (AP)—A hearing is slated for Thursday as the next step in a legal battle over the state's new Blue Law banning Sunday food sales by stores employing 10 or more workers.

The date for a hearing on a request for an injunction was set Saturday by Judge Clyde S. Shumaker of Butler County. He took the action after denying a request

hours after launch.

Besides instruments designed to measure low-energy protons originating from the sun, the payload includes a new telemetry system which can broadcast signals on less power than it takes to operate a flashlight bulb.

for a temporary injunction that would save permitted a Butler area supermarket to remain open Sundays.

The store, Friedman's supermarket at the nearby Bon-Aire Shopping Center, was closed down Sunday.

Fines totaling \$148 were levied against three officials of the store for operating on Sunday, Nov. 26.

The store claims the new law is unconstitutional.

PALO ALTO, Calif. (AP)—Mrs. Wayne Elwood Sr., wife of a business executive, has donated \$1,000 to the United Nations. This is the amount she estimates it would have cost her to build a fallout shelter, she explained Thursday.

Mrs. Elwood wrote a letter to U.N. Acting Secretary-General U Thant saying: "The family shelter plan contributes to the idea

that nuclear war is inevitable, fosters the illusion that a post-nuclear world would be worth living in and encourages in man the animal instinct for survival at the cost of the human principle of the brotherhood of man."

NEW YORK (AP)—Luigi Silva, 38, concert cellist, died Wednesday. He was born in Milan, Italy, and came to the United States in 1940.

Best way to wash dishes.

Tonight. Learn how the other half lives. Stack the dishes for a change and enjoy yourself. Try early TV. You'll love the luxurious freedom. When you finally get to washing dishes, think about your experience. With an Electric Dishwasher you can do the same every night. Think about this, too. Your dishes will be washed in 140°-160° water. That's too hot for human hands. But, when they come out, the dishes will be hygienically clean to protect your family's health. Really, you deserve an Electric Dishwasher. Your family will agree. So will your dealer. See him soon.

(AP)—The Peoples Action Committee, a Wilmington organization recently established to fight what it calls discrimination by selective patronage, today launched a campaign to withhold patronage from the Strawbridge & Clothier department store here. The committee charged that firm has failed to "end discrimination in employment." More than 2,500 individuals and more than 1,000 organizations have signed pledges to support the campaign, according to the Rev. Maurice J. Moyer, president of the Wilmington branch of the National Association for the Advancement of Colored People and a leader of the Peoples Action Committee. Rev. Moyer said Strawbridge hires some Negroes but they are primarily in custodial positions. Youngest man on the roster of the Los Angeles Angels is Paul Mosley, 18, a bonus pitcher from Saugus, Calif. He was placed on the roster as protection against the first-year player draft. He was 3-2 at Statesville, Fa., in 1961.

Tractor Clinic

Wednesday and Thursday, December 6 and 7

Get a FREE Dynamometer Test Plus a Full Set of CHAMPION SPARK PLUGS—FREE!

We invite you to bring in your tractor for a free power and fuel economy test on Wednesday and Thursday, December 6 and 7. In addition to testing your tractor with an A&W dynamometer, we will install a full set of new Champion spark plugs in it—free of charge!

We are doing this because the Champion Spark Plug Company has selected us to join their national tractor testing program. This testing demonstrates the improved performance tractor owners get by replacing BORDERLINE spark plugs with new Champions. Test results may be used in Champion's national farm advertising that you've been seeing lately in Farm Journal and Successful Farming.

So, for a neighborly get-together that can also save you profits and power, don't forget the date—December 6 and 7, 8 A.M. to 4 P.M. Tests limited to 20 tractors and they should be tractors with spark plugs that have been used around 250 hours (or more). If you haven't replaced YOUR plugs lately, just give us a call and tell us you're coming.
